#### ***Wrap Up Island Bliss***

Considered one of the most beautiful and romantic destinations in the world, French Polynesia is an extraordinary place to reconnect with your special someone, a gift like no other. In this area, we are treated to our own South Pacific specialist, Karen McCrink, at Atlas Travel International in Milford and Lexington. She knows more about traveling to Tahiti, Fiji, Australia and New Zealand than anyone around and she and the Atlas staff (all incredibly knowledgeable travelers) will help you wrap up the ultimate island vacation for under your tree.

One such journey of relaxation is referred to as "Island Bliss" and it's that and more. This 8-Day Tahiti vacation includes 2 nights at the InterContinental Tahiti Resort in a panoramic room, 6 nights in an Emerald Overwater Villa at The InterContinental Resort & Thalasso Spa on Bora Bora with a complimentary upgrade to an even more spectacular, Sapphire Villa. You'll enjoy a half-day Circle Island Tour of Tahiti, a guided Jet Ski Tour and Shark & Ray Snorkel Safari in Bora Bora, a 50-minute spa treatment, dinner at the famous Bloody Mary's restaurant, plus various breakfast and dinner accommodations, boat transfer to your island hotel...and more. Imagine your gift recipient's face when this gift is opened!
